USING THE DATA

- ❖ Reviewed results with LPS Learning Leadership Team.
- ❖ Held two Data Inquiry Workshops for school leaders.
- ❖ Reviewed by the LPS Safe Schools Design Team.
- ❖ Each school / program is reviewing their individual report, sharing out with key stakeholders and developing priorities for action.
- ❖ District staff are providing support to schools and continuing conversations about how to support the identified student subgroups who feel less positive about their school experience.
- ❖ We are looking forward to comparing with the Healthy Kids Colorado Survey data – expected to arrive later this spring.
